

Think Green!

Reduce Reuse Recycle Recover

A+ Book Fairs is committed to reducing waste and reusing materials to help our environment. We ask you to join our efforts by doing the following:

- *Return* all boxes, containers and displays to A+ Book Fairs after your fair ends.
- Please do not write or mark on any boxes or containers so that we may *reuse* them.
- Please do not use duct tape or any other strong adhesive on any A+ Book Fairs items (such as cash registers, credit card machines, cords, book cases, etc.) to *reduce* our need to use heavy solvents to clean them.
- Before your fair is picked up, please remove all "Last Copy" bookmarks (*recycle* them!) or labels added to items.
- Request plastic bags only on an as-needed basis.
- *Return* any unused flyers or promotional materials.

Thank you!

Book Fairs
